Good

It is a noticeable fact that beer is becoming more and more commonly used as a meal time beverage and particularly in the home. There are several good reasons for this: It "fits in" well with solid foods. It is a good apperiser. It helps digestion. Many drink it in place of coffee, because they find the latter injurious to them.

Is a light been with a full, rich flavor that finds great favor as a table beverage. The bottled prods uct is most convenient for home
